VOLUME VIII—NUMBER 118

PADUCAH, KY., FRIDAY EVENING, NOVEMBER 15, 1901

10 CENTS PER WEEK!

POLICE WON

Jury Returned a Verdict in Favor of Officer Gourieux Today.

THE ACTION WAS FOR \$10,000

The Officer Sued Mr. E. M. Headley, of Louisville, For Exceeding Authority.

PROCEEDINGS OF CIRCUIT COURT

An important case, growing out of local politics a year ago, when Mr. Ellis M. Headley, a representative of the Honorable E. M. Headley, of Louisville, was arrested here on a charge of attempted bribery, was decided in circuit court here this morning. The jury which heard the evidence in Mr. Headley's suit against Officer Emil Gourieux for \$10,000 damages, returned a verdict in favor of the defendant, thus deciding that the officer did not exceed his authority in anything he did at the time of Mr. Headley's arrest.

The suit was brought against the officer and his bondsmen, and a similar one against Officer Henry Singery and his bondsmen, but the bondsmen were several days ago dismissed as parties of the suit, and the case proceeded against the officers alone. It was claimed by Mr. Headley in his suit that when the officers arrested him, they searched him, and further humiliated him by taking his money and private papers, some of which were not returned to him.

The case went to the jury yesterday, and late in the afternoon the jury reported it could not agree, but was sent back by Judge Husbands. This morning it succeeded in reaching a verdict. Mr. Headley has not been present at the trial.

There is now pending against him in circuit court, sent back by the court of appeals, a charge of attempting to bribe in the November election a year ago. This comes up in a few weeks.

The suit of Mr. Headley against Prosecuting Attorney W. F. Bradshaw was this morning dismissed without prejudice. He was sued for the \$100 Mr. Headley was alleged to have tendered as a bribe and which was held as evidence.

The suit of Mr. Headley against Officer Henry Singery for \$10,000 damages on the same grounds alleged in the Gourieux case, is still to be tried, unless it is dismissed as a result of the verdict in the case decided this morning.

The case of M. E. Bonadies against Mary M. Machenne was continued at the cost of the defendant.

The case of Mrs. Loretta Tulley against the Mutual Life Ins. Co., was placed into the hands of the master commissioner, G. H. Husbands.

At the motion of the plaintiff the case of George A. Bubar against E. E. Bell was continued at the plaintiff's costs.

In the case of Abo Livingston against W. J. Whitehead, in which a judgment for the defendant was rendered, motions and reasons for a new trial were filed by the plaintiff.

The case of Electra Griffin and C. O. Griffin against the Louisville Times Co. were dismissed at the costs of the defendant. The cases were compromised but today the official order was made in the court.

The two cases of John A. Hills against the Paducah Lumber and Veneer Co. were continued and set for the 7th day of the January term.

The case of Watts Davis against T. S. Vickers was continued. At press time the case of Frank Delvin against the N. C. and St. L. railroad was on trial. The plaintiff sued for \$3000 damages.

SETTLED SOON.

JUDGE EMERY NOTIFIED THAT THE CONTROVERSY WILL BE ADJUSTED.

County Judge Emery stated this morning that he had been notified that the trouble in the Democratic committee of McCracken county, which resulted in two sets of officers, will be settled in Louisville at a meeting of the state central committee next week. Judge Emery is one of the contesting chairmen. Both sides will be heard by the committee, and Judge Emery will leave with an attorney and be there on whatever day is set for the hearing.

He has not decided who his attorney will be, but it is probable that Attorney L. K. Taylor will represent the other side.

Steamboat kitcheness ossified by Scott Hardware Co.

NO EXPLOSION

It Seems Some One Has Worked the Rabbit's Foot.

The Frankfort Political Sensation Refuses to Go Off Just Now.

The Frankfort political sensation mentioned in The Sun some time ago may be squelched. A Frankfort dispatch to the Cincinnati Enquirer says: "That threatened political explosion, in which a state officer and a candidate for senator were to be swept away, has been apparently side-tracked, while the promoters are hurrying hither and thither to get an expert to stop the 'explosion.' The promoters learned too late that what they had was only a percussion cap, which was liable to explode a big dynamite bomb that would shake up a 'whole passel' of high dignitaries and scorch the hair of the persuasion capholders. 'Those who started the story were invited by the state officer, in a smiling way, to turn loose their fulminant, as he had a few in stock himself. He gave them the low, gurgling laugh, and begged them to open hostilities, but they have not done so, and every one concerned seems backward about coming forward with any direct, open, manly charge on the part of the aforesaid state officer. 'It begins to look to a man up a tree that a certain politician beat another one to a good thing, and the tarty crowd have let out a 'holer,' which they are now sorry they did, and deeply deprecate that any publicity has been given the threatened 'explosion.' Thus the first chapter ends, with no appreciable effect on the senatorial race, and the state officer still visits his office daily and sleeps well."

"The suit was brought against the officer and his bondsmen, and a similar one against Officer Henry Singery and his bondsmen, but the bondsmen were several days ago dismissed as parties of the suit, and the case proceeded against the officers alone. It was claimed by Mr. Headley in his suit that when the officers arrested him, they searched him, and further humiliated him by taking his money and private papers, some of which were not returned to him."

The case went to the jury yesterday, and late in the afternoon the jury reported it could not agree, but was sent back by Judge Husbands. This morning it succeeded in reaching a verdict. Mr. Headley has not been present at the trial.

There is now pending against him in circuit court, sent back by the court of appeals, a charge of attempting to bribe in the November election a year ago. This comes up in a few weeks.

The suit of Mr. Headley against Prosecuting Attorney W. F. Bradshaw was this morning dismissed without prejudice. He was sued for the \$100 Mr. Headley was alleged to have tendered as a bribe and which was held as evidence.

The suit of Mr. Headley against Officer Henry Singery for \$10,000 damages on the same grounds alleged in the Gourieux case, is still to be tried, unless it is dismissed as a result of the verdict in the case decided this morning.

The case of M. E. Bonadies against Mary M. Machenne was continued at the cost of the defendant.

The case of Mrs. Loretta Tulley against the Mutual Life Ins. Co., was placed into the hands of the master commissioner, G. H. Husbands.

At the motion of the plaintiff the case of George A. Bubar against E. E. Bell was continued at the plaintiff's costs.

In the case of Abo Livingston against W. J. Whitehead, in which a judgment for the defendant was rendered, motions and reasons for a new trial were filed by the plaintiff.

The case of Electra Griffin and C. O. Griffin against the Louisville Times Co. were dismissed at the costs of the defendant. The cases were compromised but today the official order was made in the court.

The two cases of John A. Hills against the Paducah Lumber and Veneer Co. were continued and set for the 7th day of the January term.

The case of Watts Davis against T. S. Vickers was continued. At press time the case of Frank Delvin against the N. C. and St. L. railroad was on trial. The plaintiff sued for \$3000 damages.

THE CONFERENCE.

J. C. Hooks, Formerly of Paducah, Asked Restoration—Not Granted.

Good Weather and Large Crowds Contribute to the Success of the Meeting.

Dyersburg, Nov. 15.—The Memphis conference, M. E. church, South, met again yesterday, Bishop Morrison in the chair. Dr. J. H. Riggins of the Little Rock conference conducted the devotional exercises. After roll-call and reading of minutes, several papers were referred to the special committees. Dr. Riggins, of Little Rock, came to the Memphis conference to ask for the restoration of orders to J. C. Hooks, who was formerly a member of this body, but expelled for immorality, of which he has repented, but it was found that the requirements of the law had not been met in that he did not present a certificate from the quarterly conference recommending to this conference the restoration of his credentials, therefore the conference could not consider the matter. The names of the following brethren were called, who were members of the second year class and their characters passed, and they were advanced to the class of the third year: R. P. Duckworth, R. G. Holcomb, E. J. W. Peters, J. W. Irion, W. A. Watts and S. R. Part. This afternoon at 2 o'clock was made the order of the day for the election of delegates to the general conference to meet next May at Dallas, Tex. The twentieth question was called, "Are all the preachers blameless in life and official administration?" and the several presiding elders were called to report the state of their respective districts. These reports showed very fine progress in the larger portion of the conference. The pastors of Memphis, Lexington and Brownsville district reported and their characters were passed. The report from the Publishing house at Nashville shows a healthy state of interest on the part of the church in her publications. The total sales during the year were \$38,256.93. The branch house at Dallas, Tex., sold \$85,591.60. The net profits to the house on the year's business were \$45,123.28. Total capital, as per ledger, above all liabilities, \$947,685.80. Mrs. S. P. Mooney, sister to Miss Will Allen L'arronde, was introduced to the conference and announced a new book which she has written and will soon have ready for sale. There were probably 100 orders given at once for the book, "Our Moving Tent." After announcements conference adjourned to 8:30 today. Fine weather, large audiences, harmonious sessions and inspiring services all conspired to make this a delightful conference.

Does your mirror reflect clean, white teeth and sound gums? If not, then use Jennelle's tooth powder.

FRESH TROOPS

To Wear Down the Ten Thousand Boers.

War Secretary Says the Country Has Set Its Teeth and Will Go Through With the Work.

London, Nov. 15.—Mr. Broderick, the British war secretary, speaking at a banquet given in London in his honor by the city Carlton club, declared that the Boers were hiding their tracks by murdering the Kaffirs behind them. "Lord Kitchener wired," he continued, "that the cold-blooded murder of natives had become frequent of late, and that two dead natives, their hands tied behind their backs, were found November 10 at the bottom of a mine shaft."

Later in his speech Mr. Broderick said Great Britain now had forty-two thousand Boers in custody in the concentration camps and on various islands, and that 11,000 more had been killed or wounded, or had left the country on parole. He added that he believed the number of Boers now in the field was about 10,000.

"The country has set its teeth and intends to go through the process of wearing down," he exclaimed. "We intend to provide Lord Kitchener with fresh troops to replace the tired ones. Only today a certain colony made an offer to help."

Mr. Broderick said he was sorry anything had happened to affect the career of Sir Redvers Buller, and he assured the company that the defense of Sir Evelyn Wood was not a bar to the work that officer had to do as commander of an army corps.

Mr. Broderick explained that four battalions and two cavalry regiments would be drawn from India for service in South Africa.

The war secretary declared also that neither Sir Evelyn Wood nor the Duke of Connaught was to be regarded as a peace general, because wherever their army corps went they also would go. He further announced that Sir Archibald Hunter would be appointed to the command of another army corps when this was formed.

A LEARNED MAN.

Prof. G. S. Ensel Dies After a Long Illness.

He Was a Life Long Student, and a Very Talented Man—Funeral Sunday.

Prof. G. S. Ensel, after an illness lasting for two years, died last night at 11 o'clock at the home of his sister, Mrs. L. Levy, at Seventh and Madison streets. For the past four weeks his condition had been critical, and while his death was a sad blow to his many friends and admirers, it was not entirely unexpected. Prof. Ensel had been a resident of Paducah for many years, and was born in Haeblingen, Germany, April 7, 1827. He was always a man of great learning, and spoke seventeen different languages. He was a fine musician as well, and for years taught the piano. Early in life he was a rabbi, in charge of congregations in North Germany near Bremen, but came to America later and in the early forties located with his father near Morganfield, Ky. Later the family moved to St. Louis, where Prof. Ensel later gave up his ministerial work, and accepted a position as cashier in a bank there. For eighteen years he resided in the Future Great, then moving to Springfield, Ill. He left there in six years and upon coming to Paducah again entered the ministry and was instructor at the synagogue on South Fourth street.

Prof. Ensel later again retired from the ministry and at the time of his death was inclined to have no particular religious views. He was a broad, liberal minded man, a student and scholar, and at no time in his life did he abandon his desire to learn. He mastered history, ancient and modern, as perhaps few men have ever mastered it, and was profoundly learned in every respect. He was a facile writer, and although in his later years he was almost blind, he kept pace with the times, and had a reader to keep him "informed" in everything.

His father died in St. Louis in 1868, and his mother in Paducah in 1874. Other members of his immediate family are: Mr. L. L. Ensel, of Chicago; Mrs. Alex. Levy, of Louisville; and Mrs. L. Levy, of Paducah. The funeral will take place at 2 o'clock Sunday afternoon from the residence, burial at the Jewish cemetery.

SERVING INJUNCTION PAPER.

Madisonville, Nov. 15.—A deputy U. S. marshal is here serving federal injunction papers on union officers and camp leaders.

USEFUL LIFE

Major Josiah Harris Died Last Night After a Long Illness.

HE WAS A PROMINENT MAN

Had Held Public Office and Been Nominated For Several High Positions.

THE FUNERAL SUNDAY NEXT

Attorney Josiah Harris departed this life at 4 o'clock this morning at his home 1000 South Sixth street, after an illness of nearly a year from Bright's disease. He had gradually grown feeble from his long illness, and all efforts to improve his health proved unavailing. Yesterday it was evident that death was near, and many of his friends called to bid him farewell.

Major Harris was one of the best known men in Southwest Kentucky, and was exceedingly young looking for a man of 61. He was an eloquent criminal lawyer, and a man of fine qualities. Earlier in life he was prominent in public life, having at one time been prosecuting attorney of Paducah, and later a member of the legislature of this county. He was also once a candidate for governor on the Prohibition ticket. He had been candidate for various offices, and his public service was most creditable to him. For years he had been a familiar figure about the courts of this section, and up to the time that he was disabled by illness, could easily have passed as a man of 40. He first suffered from locomotor ataxia which kept him confined for six or eight months. Recently he went to Dawson, but was not benefited, and returned only to gradually grow feeble.

He was born in Columbia, Adams county, Ky., in 1840 and at the age of 19 began the study of law in Paducah in the offices of John and Clay King.

His father was a prominent merchant of Louisville, and his mother was a sister of Ex-Gov. John Q. A. King.

He went to Louisville and was admitted to the bar the next year, at the age of 20, returning to Paducah shortly afterwards to read and practice his profession. Mr. Harris was a representative from this county to the Legislature in 1888 and in 1889 was selected to that office. In 1888 he was the Prohibition candidate for attorney general and in 1890 was candidate for governor. In 1897 he was a candidate for governor on the Prohibition ticket and in 1894 a candidate for congress again.

During the war he was the paymaster of the fleet of war vessels under Jefferson Davis and at one time was placed in charge of a squad of men and here is where he received the title of major which clung to him to the end of his career.

He had been wedded three times the first wife being Miss Cora Enders and the second Miss Mattie Dunn, both of the city, and leaves a wife and one daughter, Mrs. Charles L. Wortham, of Elizabeth, Ind., three brothers, two in Franklin, Ky., and one in New York and one sister in Franklin, Ky.

The funeral services will be conducted Sunday afternoon at 2 o'clock at the residence, 1000 South Sixth street, Rev. Montgomery, of the Second Presbyterian church officiating, interment at Oak Grove.

The City of Carvers is due this evening from Golconda, promptly 9:30, and leaves promptly 9:30 tomorrow morning on return trip.

SEAT FOR COM PAUL IN CONGRESS.

London, Nov. 15.—The Irish Nationalists have offered Paul Kruger a safe parliamentary seat in Ireland.

—Market Master Hays was notified to appear in court tomorrow to answer to a charge of shooting inside the city limits. It is alleged he was hunting an Roebuckton.

—A Paducah Prohibition Alliance was last night elected at the First Christian church. The following officers were chosen to serve the ensuing term: President, George C. Crumblin; vice president, J. M. Byrd; treasurer, Miss J. B. Puryear; secretary, E. Boyd; marshal, George P. Crumblin; and chaplain, Rev. G. W. Perryman.

ORGANIZATION

OFFICERS OF THE PADUCAH PROHIBITION ALLIANCE ELECTED.

A Paducah Prohibition Alliance was last night elected at the First Christian church. The following officers were chosen to serve the ensuing term: President, George C. Crumblin; vice president, J. M. Byrd; treasurer, Miss J. B. Puryear; secretary, E. Boyd; marshal, George P. Crumblin; and chaplain, Rev. G. W. Perryman.

WAR ON TRUSTS BEGUN.

Washington, Nov. 15.—The president has begun a vigorous war on trusts. The department of justice has ordered district attorneys in three different districts to begin proceedings against big combine.

BOILER EXPLOSION. TEMPERANCE ORGANIZATION SITE SELECTED.

CAUSES DEATH AND EXTENSIVE PROPERTY DAMAGE AT STURGIS.

Sturgis, Ky., Nov. 15.—A terrific boiler explosion here yesterday demolished the plant and fatally injured Engineer Geo. Hugh O'Leary. Harry Somers, second engineer, was injured, but not seriously. The damage will amount to probably \$10,000.

VICIOUS ATTACK

EXTRA POLICEMAN HIT BY AN ALLEGED DETECTIVE.

Mr. Joe Potter, who is a extra policeman, was painfully hit last night by a young man claiming to be a United States secret service officer. The two were at Fourth and Broadway, and the stranger was drunk. Mr. Potter was not on duty, but thought it advisable to take the reckless youth's pistol away. The latter knocked him down and kicked him on the right side of the face, almost putting out his eye, and entering a long gash. He then escaped and the police have not learned his name.

This morning Mr. Potter had to go to the city hospital as a result of his injuries.

BOTH ARE CONFIDENTIAL

San Francisco, Nov. 15.—Eugene Jeffries and Rubin are in the condition for tonight's fight, and both are confident of winning. Jeffries is the favorite.

FRIDAY, NOVEMBER 15, 1901.

Judge Haney, at Chicago, sent
enough the managing editor of Hearst's
Chicago American to forty days in
jail, and the writer of an objection-
able article in the same paper criti-
cizing a decision of the court on an
application for the forfeiture of the
People's Gas, Light and Coke com-
pany to thirty days in jail, for con-
tempt of court. His claim was that if
the matter published were allowed to
go unnotified by the court it paved the
way for other attacks, and that the
judiciary, if not held in respect, would
fail, with all democratic government.
The article, the court declared, was
not merely an attack on the people
and on the court, but a bold threat to
every other court. It should, there-
fore, not go unpunished. This may
be sound logic when dealing with yel-
low journals, such as those published
by Mr. Hearst, of the Chicago Ameri-
can, but courts should not be too
ready to take offense at newspapers,
especially if the papers confine them-
selves to legitimate criticism. While
possibly it might prove demoralizing
to permit unrestrained criticism of
tribunals; and if papers were permit-
ted to use discretion and abuse the
privileges of public journals. Yet if
courts are not to be criticized, if a
judge be permitted to render decisions
with impunity, and newspapers are
intimidated into allowing them to go
unnoticed, the judiciary might soon
become as unscrupulous and corrup-
t as some of the yellow journals.
With no fear of having the light
of publicity thrown on their decisions,
with newspapers bluffed by the threat
of their editors and managers might
be sent to jail for contempt if they
dare question the decision of a court,
judges might soon become corrupt,
and courts temples of injustice. It
seems to be the prevailing opinion in
the United States, as evidenced by
the laws, that no branch of public ser-
vice should be above legitimate news-
paper criticism.

The United States senatorial race in
Kentucky seems to be causing no end
of trouble among the Democrats. The
Louisville Commercial says:

"None of the Democrats seem to
know exactly when the next meeting
of the state central committee is to
be called by Chairman Allie Young.
The true cause of this is that Chair-
man Allie Young does not know him-
self. In fact, Mr. Young bit off more
than he can chew when he accepted
the position of chairman of this com-
mittee. However, when there is an
especially complicated question to
come before a meeting of this com-
mittee Chairman Young has a faculty
of missing the train and not being
on the scene of action in time to
take any part. A notable example
of this was seen when the trouble
broke out in Kenton county between
Pugh and Ellison. Young missed the
train and thereby avoided the embar-
rassing predicament of taking sides
against the powers that be or getting
himself heartily disliked in a quarter
where he especially wants to be popu-
lar."

"It is conceded that a meeting
of the committee is necessary in order
to straighten out the mess caused
by certain acts in the senatorial race.
The candidates demand it—at least,
all of the candidates except the Hon.
James B. McCreary. As far as he
is concerned he is perfectly willing
to let matters take their course, but
the three other candidates claim
he has worked a rabbit foot to the
extent of having them beat before
the legislature meets. They claim
all manner of things. It is especially
noticeable that though the Demo-
cratic administration has just come in
and there is a bunch of new legisla-
tors, the Hon. James B. McCreary
has not yet appeared on the scene
while the other candidates have been
frequently."

The new Democratic city council of
Louisville has drifted into penan-
ties already. It refused to vote
a resolution of thanks to the Bern-
heim Bros. for their handsome dona-
tion of Thomas Jefferson. The hostil-
ity in the council was brought about
by Mr. Nathan Uri, a former partner
of the Bernheims, and now a bitter
enemy. He charged that the statue
was presented through mercenary
motives, and erected as an advertis-
ing scheme. He also claimed that
Messrs. Bernheim had opposed the
Democratic council ticket, and the
council for that reason owed him no

SMALL-POX

THE STATE BOARD OF HEALTH'S
Report Reveals the
Amount.

HALF A MILLION SPENT

There Have Been 11,269 Cases of
It in the State of Ken-
tucky.

NOW NEARLY STAMPED OUT

Dr. J. N. McCormack, secretary of
the state board of health of Kentucky,
has completed his report, which will
be sent to the legislature at the coming
session in January. That portion
of the report which relates to the small-
pox epidemic which has been general
in numerous sections of the state for
the past three years contains figures
which Dr. McCormack says show
that the prevalence of the disease has
caused more deaths, and a greater ex-
penditure of money to stamp it out,
than any other disease which the
health officers of the state ever had to
encounter.

Of the 119 counties in Kentucky all
but nine—Clinton, Cumberland, Ed-
monson, Estill, Gallatin, Harlan, La
Rue, Owsley and Trigg, all remote
from the main lines of travel,—have
had more or less experience with
smallpox during the present epidem-
ic, covering a period of nearly four
years. Detailed reports from 108 of
the afflicted counties and from every
municipality in the state have been
received by the state board of health.

A total of 394 distinct outbreaks
are reported 85 of these being fresh
importations from other states. In all
11,269 cases are reported, with 184
deaths, a mortality of 1.63 per cent.
Special hospitals were erected in 63
counties and municipalities, but prob-
ably a majority of cases outside of the
large cities and towns were isolated
and treated in their homes.

Reports are made of 292,280 per-
sons vaccinated during the epidemic
and of 408,825 found protected by one
or more previous vaccinations, out of a
total population of 2,147,174, leaving
1,335,908, or a little more than 62 per
cent. unvaccinated. Three hundred
and forty thousand, or over 40 per
cent. of those vaccinated, are residents
of the larger cities and towns, 175,000
of the city of Louisville.

The actual cash expended from
county and municipal treasuries on
account of smallpox was \$308,271, to
say nothing of the expense of individ-
uals. The reported loss from interfer-
ence with business was \$781,000. This
does not include the great loss to
transportation companies from inter-
ference with travel and commerce.
This latter item is only an aggregate
of estimates, many boards not report-
ing upon this point, and is only given
for what it is worth.

The origin of the present epidemic
is now pretty well understood. The
disease was brought from Honduras
to Mobile in the winter of 1896-97,
gradually spread up through the
valley regions of Alabama and Ten-
nessee, the first case reaching us at
Madison from Birmingham early in
December, 1897, in the person of a
negro miner. The case was mild, a
physician was called, and numerous
cases and many exposures had occurred
before the character of the disease was
recognized and reported. It was
stamped out after 281 cases and four
deaths, the city being in rigid quaran-
tine until it was done.

At last the headway was apparent
by October 1 of this year not a case
existed in the state. Since that time
importations have been made in-
to the state widely separated counties,
and with 62 per cent. of our popula-
tion not only unvaccinated, but ignor-
ant and negligent upon the subject,
the work may have to be done over
at any time.

INVERNESS RETURNS.

THE PARTY OF CHICAGOANS AB-
SENT IN PADUCAH THIS
MORNING.

Messrs. Edward Ayer, J. B. Lord,
Wm. E. Pratt, Stafford and Phil S.
Smith, all of the Ayer & Lord Tie com-
pany of Chicago, arrived in the city
on the company's boat, "the Inverness,"
this morning at 7 o'clock, after a trip
to Waterloo on a general inspection
tour of the territory where the ties are
bought by the company.

The trip was made in one week, the
time the party expected to consume
on the trip, and it was a very delight-
ful outing, no bad weather having
been experienced and everything run-
ning smoothly.

The party left today at noon for
Chicago, and said they liked Paducah
very much, and realized much better
the unlimited resources of the Ten-
nessee river country in supplying the
company with ties.

Geo. A. Points, Upper Salsbury,
O., writes: "I have been using
Foley's Honey and Tar for hoarseness,
and find it the best remedy I ever
tried. It stopped the cough immedi-
ately, and relieved all soreness.
Take none but Foley's."

SMALL-POX

THE STATE BOARD OF HEALTH'S
Report Reveals the
Amount.

HALF A MILLION SPENT

There Have Been 11,269 Cases of
It in the State of Ken-
tucky.

NOW NEARLY STAMPED OUT

Dr. J. N. McCormack, secretary of
the state board of health of Kentucky,
has completed his report, which will
be sent to the legislature at the coming
session in January. That portion
of the report which relates to the small-
pox epidemic which has been general
in numerous sections of the state for
the past three years contains figures
which Dr. McCormack says show
that the prevalence of the disease has
caused more deaths, and a greater ex-
penditure of money to stamp it out,
than any other disease which the
health officers of the state ever had to
encounter.

Of the 119 counties in Kentucky all
but nine—Clinton, Cumberland, Ed-
monson, Estill, Gallatin, Harlan, La
Rue, Owsley and Trigg, all remote
from the main lines of travel,—have
had more or less experience with
smallpox during the present epidem-
ic, covering a period of nearly four
years. Detailed reports from 108 of
the afflicted counties and from every
municipality in the state have been
received by the state board of health.

A total of 394 distinct outbreaks
are reported 85 of these being fresh
importations from other states. In all
11,269 cases are reported, with 184
deaths, a mortality of 1.63 per cent.
Special hospitals were erected in 63
counties and municipalities, but prob-
ably a majority of cases outside of the
large cities and towns were isolated
and treated in their homes.

Reports are made of 292,280 per-
sons vaccinated during the epidemic
and of 408,825 found protected by one
or more previous vaccinations, out of a
total population of 2,147,174, leaving
1,335,908, or a little more than 62 per
cent. unvaccinated. Three hundred
and forty thousand, or over 40 per
cent. of those vaccinated, are residents
of the larger cities and towns, 175,000
of the city of Louisville.

The actual cash expended from
county and municipal treasuries on
account of smallpox was \$308,271, to
say nothing of the expense of individ-
uals. The reported loss from interfer-
ence with business was \$781,000. This
does not include the great loss to
transportation companies from inter-
ference with travel and commerce.
This latter item is only an aggregate
of estimates, many boards not report-
ing upon this point, and is only given
for what it is worth.

The origin of the present epidemic
is now pretty well understood. The
disease was brought from Honduras
to Mobile in the winter of 1896-97,
gradually spread up through the
valley regions of Alabama and Ten-
nessee, the first case reaching us at
Madison from Birmingham early in
December, 1897, in the person of a
negro miner. The case was mild, a
physician was called, and numerous
cases and many exposures had occurred
before the character of the disease was
recognized and reported. It was
stamped out after 281 cases and four
deaths, the city being in rigid quaran-
tine until it was done.

At last the headway was apparent
by October 1 of this year not a case
existed in the state. Since that time
importations have been made in-
to the state widely separated counties,
and with 62 per cent. of our popula-
tion not only unvaccinated, but ignor-
ant and negligent upon the subject,
the work may have to be done over
at any time.

INVERNESS RETURNS.

THE PARTY OF CHICAGOANS AB-
SENT IN PADUCAH THIS
MORNING.

Messrs. Edward Ayer, J. B. Lord,
Wm. E. Pratt, Stafford and Phil S.
Smith, all of the Ayer & Lord Tie com-
pany of Chicago, arrived in the city
on the company's boat, "the Inverness,"
this morning at 7 o'clock, after a trip
to Waterloo on a general inspection
tour of the territory where the ties are
bought by the company.

The trip was made in one week, the
time the party expected to consume
on the trip, and it was a very delight-
ful outing, no bad weather having
been experienced and everything run-
ning smoothly.

The party left today at noon for
Chicago, and said they liked Paducah
very much, and realized much better
the unlimited resources of the Ten-
nessee river country in supplying the
company with ties.

Geo. A. Points, Upper Salsbury,
O., writes: "I have been using
Foley's Honey and Tar for hoarseness,
and find it the best remedy I ever
tried. It stopped the cough immedi-
ately, and relieved all soreness.
Take none but Foley's."

ENTHUSIASTIC CONVERTS.

THERE ARE THOUSANDS OF
THEM WHO BELIEVE AS THIS
WOMAN DOES.

Mrs. Ira Knowlton of Butte, Mont.,
is a most enthusiastic convert to the
virtues of Stuart's Dyspepsia Tablets
as a cure for obstinate stomach

trouble. She says: "I had poor di-
gestion nearly all my life. It now
seems to me that for years I never
knew what it was to be hungry, to
have a good natural appetite."

"I was troubled with gas in stom-
ach, causing pressure on the heart
with palpitation and short breath.
Nearly everything I ate soured on my
stomach; sometimes I had cramps in
the stomach which almost resembled
agony."

"Doctors told me I had catarrh of
the stomach, but their medicines
would not reach it, and I would still
be a sufferer, had I not, in sheer des-
peration, decided to try Stuart's Dys-
pepsia Tablets."

"I knew they were an advertised
remedy, and I didn't believe anything
I read about them, as I had no con-
fidence in advertised remedies, but my
sister living in Pittsburgh wrote me
last spring telling me how Stuart's
Tablets had cured her little daughters
of indigestion and loss of flesh and ap-
petite, and I hesitated no longer."

"I bought a fifty cent box at my drug
store and took two of the large tablets
after each meal, and found them de-
lightful to take, being as pleasant to
the taste as caramel candy. Whenever
during the day or night I felt any
pain or uneasiness in the stomach or
about the heart I took one of the small
tablets, and in three weeks it seemed
to me as if I had never known what
stomach trouble was."

"I keep Stuart's Dyspepsia Tablets
in the house, and every member of
our family uses them occasionally af-
ter a hearty meal, or when any of us
have a pain or ache in the digestive
organs."

Mr. E. H. Davis of Hampton, Va.,
says: "I doctored five years for dys-
pepsia, but in two months I got more
benefit from Stuart's Dyspepsia Tab-
lets than in five years of the doctor's
treatment."

Stuart's Dyspepsia Tablets is the
safest as well as the simplest and
most convenient remedy for any form
of indigestion, catarrh of stomach, bil-
iousness, sour stomach, bloating af-
ter meals, sympathetic heart trouble.

Stuart's Dyspepsia Tablets is not a
cheap cathartic, but an active digestive
remedy containing the pepsin and dis-
solving which every weak stomach
lacks, and they cure stomach troubles
because they digest the food eaten and
give the weak, abused, overworked
stomach a chance to rest and recon-
valesce.

Stuart's Dyspepsia Tablets are sold
in every drug store in the United
States, Canada and Great Britain.

MODERN NAVY YARD.

WILL BE CONSTRUCTED ON
SUB'S BAY.

Washington, Nov. 15.—The presi-
dent has signed an executive order
creating a naval reservation of a large
tract of land just acquired by the navy
department at Olongapo, on Subig
Bay, Luzon. The department will
now proceed with all despatch to con-
struct at this point a new navy yard
and station of the first order, pattern-
ing the plans generally after the Mare
Island navy yard. As soon as this is
properly equipped, a large part of the
work now done at the Cavite navy
yard will be transferred to Olongapo,
and in addition, the latter yard can
undertake repairs of the larger vessels
of the Asiatic fleet, which now are re-
paired expensively at Hongkong. It
is a part of the project to ship the
Havana floating dock to Olongapo to
supply immediate docking needs and
until permanent docks can be con-
structed.

WORK BEGUN.

PADUCAH CONTRACTOR BUILD-
ING THE NEW DAW-
SON HOTEL.

B. T. Davis, the well known Padu-
cah contractor, has been awarded the
contract for building the New Century
Hotel at Dawson Springs, and dirt
has already been broken. The build-
ing will cost, when completed, be-
tween \$45,000 and \$50,000. It will be
of brick, and will contain about 100
rooms. Everything will be modern
and first class. Dr. J. V. Hayden of
Salem, Ky., and J. E. Hays, Geo. M.
Price, W. I. Hamby and B. R. Eyn-
epdall of Dawson are directors of
the company. The building is to be
completed by June 1st.

A woman's jacket may not be warm,
but if it is becoming to her she doesn't
care.

Adolph Blumer, Grand Mound, Ia.,
writes: "I have used Foley's Honey
and Tar in my family, and think it is
the best cough cure on the market.
I would not be without it in my home
as there is nothing so good for coughs
and colds."
J. C. Gilbert.

FOUR NEW ONES

The Commercial Club Last Night
Elected a Board of
Directors.

SECRETARY'S REPORT READ

The Association Has Lost Two of Its
Members Within the
Year.

OFFICERS ELECTED TUESDAY

The Commercial and Manufacturers' Association of Paducah last night
elected the following directors for the
ensuing year: W. F. Paxton, J. L.
Friedman, G. O. Wallace, R. P.
Phillips, L. S. Dubois, J. M. Lang,
Chas. Reed, Chas. Weille, F. E.
Lack, W. P. Hummel, George Lang-
staff and H. A. Petter.

There are on the board four new
directors, Messrs. Charles Reed,
George Langstaff, W. P. Hummel
and H. A. Petter.

Secretary Daine read his annual
report, which was well prepared, and
a very interesting and comprehensive
document. While no manufacturing
have been located here in the past
year, the association has done excel-
lent work, and results are most grati-
fying. The factories previously lo-
cated here through the efforts of the
club, are: Paducah Brewery, Alden
Knitting Mills, Geneva Tool company,
Paducah Packing company and the
Hiram Blos company.

The association during the past year
has lost two valuable members,
Messrs. A. N. Clarke and George
Langstaff, Sr.

After the reading of the report a
committee composed of Messrs. S. A.
Fowler, Chas. Reed and Muscoe
Barnett was appointed to draft resolu-
tions of respect upon the death of Mr.
Langstaff. The resolutions, as fol-
lows, were adopted:

Whereas, It has pleased God in His
infinite wisdom to take from our
midst our friend and fellow citizen,
Mr. Geo. Langstaff, and

Whereas, No member of the Com-
mercial and Manufacturers' Association
was more loyal, or more thorough-
ly appreciated the work of the organ-
ization, and

Whereas, Throughout a long life of
great activity and usefulness, Mr.
Langstaff was always keenly alive to
all that pertained to the best interests
of our city in business, social and re-
ligious affairs, therefore

Be it Resolved by the members of
the Commercial and Manufacturers' Association
that in the death of Mr.
Geo. Langstaff, the association has
lost a most loyal member. That the
city of Paducah has lost a most pro-
gressive and valued citizen, therefore

Be it Resolved, That the sympathy
of this association be extended to the
family of the deceased, that these resolu-
tions be spread upon the records and
a copy transmitted to the family.

S. A. FOWLER,
CHAS. REED,
M. E. BURNETT,
Committee.

A committee will be named to con-
fer with committees from other com-
mercial clubs relative to needed legisla-
tion to be asked of the next legisla-
ture.

A vote of thanks was tendered Mr.
W. F. Paxton for his speech and
efficient services as president of the club.

A committee composed of Messrs.
F. E. Lack, H. A. Petter, L. S. Du-
bois and W. P. Hummel was ap-
pointed to solicit new members of the
association.

The directors will meet Tuesday
night to elect officers for the ensuing
year, and a secretary.

SPIRIT POWER.

AT THE KENTUCKY SUNDAY
NIGHT.

Sunday night, November 17, at the
Kentucky, Dr. Reynolds, who has been
repeatedly from a five years' tour
of Australia, India, China and Japan,
will give a séance for the purpose of
demonstrating spirit power in the
light. The following are among the
many demonstrations given: Rey-
nolds open light trance, as presented
by him before the leading societies of
England, Germany and France. Mr.
Reynolds was by them subjected to the
most critical test conditions. There
is not one member among them but
that acknowledge that in the presence
of Mr. Reynolds there is a wonderful
power, and intelligence outside the
body that can assume a human form
and annihilate distance, but what
power is there is a diversity of opin-
ion. A table rises and floats in mid-
air, flowers are brought and passed
through the audience by unseen hands,
spirit slate writing, questions written
and retained by the interrogators will
receive full and intelligent answers.
A small admission fee will be charged.

CANCER

The diseases most feared are those which are
inherited—passed down from generation to
generation, and family to family. By far the most
destructive of these is Cancer, which finds the
greatest number of its victims among the children
and grandchildren of those whose blood was tainted
with this dreadful malediction. You may carry this poison in the blood for years, but
as the vital powers begin to wane a slight bruise or cut, wart or mole, sore or
pimple may develop into Cancer. From middle life to old age is the time when
the lumbering poison is most apt to break out, a sore or ulcer often degenerating
into Cancer, and Tumors become more progressive and ulcerate through the skin,
the sharp, shooting pains causing the most intense suffering.

The Cancer patient naturally grows dependent as one after another the usual
remedies fail, and the sore shows no sign of healing. The impurities that have
been accumulating in the system, perhaps for generations, cannot be eliminated nor
the poisoned blood made pure by salves, washes and plasters. The proper treatment
is to purify and build up the blood, remove the cause, when the sore or ulcer heals.

Begin in time, don't wait until the blood is so polluted and the system so thoroughly saturated with the
poison that no medicine, however efficacious, can check the progress of the disease.
If there is a taint in your blood get it out at once, don't wait for some external evi-
dence of it, the appearance of a tumor or ulcer. We have prepared a special book
on Cancer which we will mail free. Our physicians are ready to help you by their
advice and such direction as your case requires. Write us fully and freely—no
charge for medical advice. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Mr. J. B. Arnold, of Greenwood, S. C., writes: "A
tiny ulcer came, just under the left eye. It began
spreading, and grew worse rapidly, destroying the
flesh as it went. As Cancer is hereditary in my family
I became thoroughly alarmed, consulting the best phy-
sicians and taking many blood medicines, none of
which did me any good, when one of our leading
druggists advised me to try S. S. S. and by the time
I had taken the second bottle the Cancer began to
show signs of healing, the discharge grew gradually
less and finally ceased altogether, the sore dried up
and nothing remains but a slight scar. I feel that I
owe my life to S. S. S."

Into the blood, don't wait until the blood is so polluted and the system so thoroughly saturated with the
poison that no medicine, however efficacious, can check the progress of the disease.
If there is a taint in your blood get it out at once, don't wait for some external evi-
dence of it, the appearance of a tumor or ulcer. We have prepared a special book

WORK STARTS

The Public Library Proposition
Went Through the
Council.

RAILROAD ROUTE CHANGED

The Council Selects the Site at Ninth and
Broadway—Terms of Option
Accepted.

BUSINESS TRANSACTIONS LAST EVENING

The council met last night in called session to further consider the railroad, and library proposition. Councilman Hymarsh was absent.

The projectors of the Paducah and Cairo railroad agreed to a change of route, owing to the opposition to the railroad going through Twelfth street. The first thing considered last night was an amendment to the ordinance given first passage Tuesday night. Its change of route begins at the Gregory vineyard, works by providing that instead of the original route the track should run across the big hollow onto Plankett hill, through the street connecting there with Thirteenth across the west end of Jackson street and not less than 265 feet west of the center of Thirteenth street, thence across Ohio street 165 feet west of Thirteenth, thence in a southerly direction and across Tennessee to a point not less than 150 feet west of Thirteenth street, thence across the hollow onto a point at or near the N., C. and St. L. railroad tracks, thence to a place near the union depot. The ordinance states that the railroad promoters will have to make their own terms with owners of property through which the right of way will pass, that the tracks are to be laid without obstruction to public highways, shall conform with grades to Engineer Wilcox's satisfaction, the culverts, street and sidewalks are to be maintained and kept in repair, the trains are not to stop more than five minutes at any one time under penalty of a fine of from \$5 to \$20 to be assessed in the city court. The grant is non-transferable. Operations shall be commenced within one year and completed within three, as evidence of the promoters' good faith, while the city reserves the right to pass ordinances compelling flag stations to be maintained. The amendment was given unanimous passage.

The public library ordinance was then read and given second passage. Councilman Johnson voted against it. Councilman James Weille chairman of the committee of the council appointed to select a site, reported that his committee, with that of the citizens, had held a meeting earlier in the evening at the Palmer and recommended the lot at Ninth and Broadway, which Mr. Geo. Hughes offered for \$10,000, the option providing that the city pay \$500 cash immediately upon acceptance of the property, and the balance by July 7, 1908, when they are given the right to purchase the plot outright for the remaining \$9,500. He agrees to allow the city to purchase earlier if possible and save them the 5 per cent interest to be charged annually. Immediately upon the acceptance of the option he turns the property over to the city that is to forfeit the option if the entire amount is not paid by July 1908. The interest upon unpaid amounts is to be paid semi-annually.

Councilman Weille moved the acceptance of the proposition which was amended on motion of Mr. Elliott by adding, if found to be legal. Attorney Lightfoot stated that the city had not yet received the \$35,000 from Mr. Carnegie. Councilman Elliott called attention to the fact that the council would have to establish a library under the second class charter, even if it didn't get Mr. Carnegie's \$35,000. Councilman Johnson opposed the purchase of the site on the grounds that they had been appropriated no fund to pay the first installment, \$500.

Mayor Lang called attention to the fact that Councilman Johnson several months ago voted to pass over the mayor's veto an ordinance for taking a city census, which the mayor vetoed because there had been appropriated no \$100 to pay for it.

Finally the terms proposed by Mr. Hughes were accepted by all of the council except Mr. Johnson.

The improving of Fifteenth street from Clay to Trimble and of Fourteenth from Clay to Trimble, was accepted by the council.

Mayor Lang appointed on a committee to secure plans for a library building Councilman Johnson, Davis, Rudolph, Elliott, Bondurant, Weille and Hannon.

The council adjourned.

Today take Foley's Honey and Tar. It positively prevents pneumonia, or other serious results from colds. It may be too late tomorrow.

J. C. Gilbert.

SOMEWHAT AMBIGUOUS.

An Illinois paper makes this "break" in the course of an obituary notice: "The deceased leaves nine children, eight of whom are respected citizens of this state, and the other lives in Missouri."

DEMOCRATIC POLICY.

SENATOR BAILEY THINKS MINORITY SENATORS WILL AWAIT THE COURSE OF EVENTS.

Washington, Nov. 15.—Senator Spooner of Wisconsin, and Senator Bailey of Texas, saw the president and the former, together with ex-Senator Donald Cameron of Pennsylvania, took luncheon at the white house. Senator Spooner declined to discuss the question of reciprocity and tariff but expressed the opinion that the new treaty with Great Britain would be ratified and the canal bill passed at approaching session of congress.

Sensor Bailey, who was for two congresses the leader of the minority in the house, says so far as he is aware there will be no meeting of 'minority senators to determine upon a policy of opposition in the coming congress. He is inclined to think that events will be likely to determine their course. Senator Bailey said that if the new canal treaty was the strong American treaty it was reported to be he would gladly give it his support.

TO CURE A COUGH
Stop coughing, as it irritates the lungs and gives them no chance to heal. Foley's Honey and Tar cures without causing a strain in throwing off the phlegm, like common cough expectorants.

J. C. Gilbert.

NEWPORT ACQUITTED.
Newport, a young man charged at Murray with robbery, and given one year at a former trial, was yesterday acquitted. Hon. John K. Hendrick of the city attended him.

FOR HOARSENESS.
Benj. Ingerson of Hutton, Ind., says he had not spoken above a whisper for months, and one bottle of Foley's Honey and Tar restored his voice. Be sure you get Foley's.

J. C. Gilbert.

VANDALISM OF BOYS.
A great deal of complaint is being lodged with the police about boys shooting into windows with slippers and air guns. The first ones caught will be made examples of.

TO CURE A COLD IN ONE DAY
Take Laxative Bromo-Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

There is no one the village gossip hates so desperately as the one who will not notice his slanders.

INCREASED RATES.

RICHMOND, VA., TELEPHONE COMPANY FILES APPLICATION.

The Richmond, Va., Telephone company has improved its service by putting in the Kellogg switchboard, but wants increased rates in order to furnish the best service. The following petition was filed at a recent meeting of the council on the subject:

"Richmond, Va., November 4, 1901.
To the Honorable Council of the City of Richmond: Gentlemen: Your petitioners, the Richmond Telephone company, begs respectfully to state that it has contracted with the Kellogg Switchboard and Supply company of Chicago, for the installation of a first class, up-to-date switchboard and telephones, which, when completed, will enable it to furnish as good telephone service as can be obtained anywhere in the United States.

"But your petitioners' experience for the past five years has demonstrated that it cannot keep up a first class exchange and give satisfactory service to its patrons at the price now charged.

"Your petitioners therefore pray that it will be granted a new franchise and that it be permitted to increase its charges. Respectfully submitted,

"RICHMOND TELEPHONE COMPANY.
By JNO. C. ROBERTSON, Pres.

COURT ADJOURNED.

OUT OF RESPECT TO MAJOR JOSIAH HARRIS TODAY.

When Judge Sanders this morning convened police court, there was but one case, that against Will George, colored, charged with breaking into leaman's stable.

Judge James Campbell mentioned the fact that Major Josiah Harris one of the best known attorneys, was dead, and paid him a growing tribute. On his motion, court adjourned until tomorrow, in respect to the deceased.

GAME LAW OUT.
The Kentucky game law expired today, and as a result Mayor Lang and hunters of less magnitude took to the woods this morning early. The hunting season lasts six weeks.

A woman can sow, read a love story, tend the baby and hear her son recite his lesson all at the same time, but when it comes to listening to a choice bit of gossip she gets right down to business and nothing else.

CAPTURE OF THE DARIEN.

GROUNDING AT LOW TIDE AND COLOMBIAN FORCES TOOK POSSESSION WITHOUT ANY FIGHTING.

Colon, Colombia, Nov. 15.—The following are the details of the capture by insurgents of the steamer Darien, which was recently purchased by the government from the Darien Gold Mining company at Panama:

The Darien was dispatched by the Colombian government toward the end of October to convey a rapid fire gun and a fair supply of rifles and ammunition to the forces now stationed at Agua Dulce. It is also rumored that she had on board \$5,000 to be delivered at Agua Dulce. The steamer had orders to keep well in sight of Chorrera, the headquarters of the insurgent forces, on her way to Agua Dulce. In compliance with this order it appears that the captain of the Darien steamed too close to land when in the vicinity of Chorrera; the steamer grounded on a sand bank, it being low tide, in sight of the rebel forces, who surrounded her with canoes, open boats, etc., and took possession of her without any fighting whatever.

The rebels on the rise of the tide immediately ordered the captain to steam to the Island of Taboga, about ten miles south of Panama. On arriving there they signalled to the officer commanding the small military contingent at Taboga to come on board. As soon as he did so he was made a prisoner and compelled to write an order for the force under his command to embark with all haste with their arms. In this manner about thirty men and all the arms and ammunition at Taboga were captured. The steamer subsequently sailed for Chorrera.

It is said the government believes that the captain of the Darien was in the pay of the rebels.

The Darien has since been trying to capture sailing vessels having government troops on board, and actually had one in tow when she was chased by a small steamer chartered from the canal company.

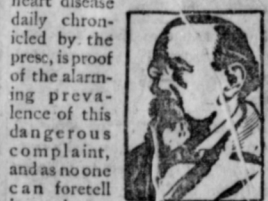

The gunboat Boyaca is said to be laying up at Buenaventura disabled. The government is now without any steamers or gunboats of its own at Panama.

W. J. Shively, Batesville, O., speaking of Banner Salve, says: "I have used it for piles, and it has done me more good than any salve I have ever used, and I have tried a great many kinds."

J. C. Gilbert.

A Good Hearted Man,

or in other words, men with good sound hearts, are not very numerous. The increasing number of sudden deaths from heart disease daily chronicled by the press, is proof of the alarming prevalence of this dangerous complaint, and as no one can foretell just when a fatal collapse will occur, the danger of neglecting treatment is certainly a very risky matter. If you are short of breath, have pain in left side, smothering spells, palpitation; unable to lie on side, especially the left, you should begin taking

Dr. Miles' Heart Cure.
J. A. Kreamer of Arkansas City, Kans., says: "My heart was so bad it was impossible for me to lie down, and I could neither sleep nor rest. My decline was rapid, and I realized I must get help soon. I was advised to try Dr. Miles' Heart Cure, which I did, and candidly believe it saved my life."

Dr. Miles' Remedies are sold by all druggists on guarantee.

LISTEN TO OUR STORY!

BED ROOM FURNITURE.—Do you know we are making right here in Paducah 300 Bed Room Suits each week. We have them from the cheapest to the best; all woods and all finishes. We make them with Paducah labor, Paducah capital and a Paducah factory. THE BEST PART is you can buy these Suits at factory prices. No freight; no middleman's profit, and every cent spent here promotes a home industry.

Arme Felt Matresse.—This Matresse is fully warranted sleep and lasts well as an all hat matresse. Use it 30 nights and if not thoroughly satisfied you have the "best" Your Money Back.

If We Did Not Make Suits and had to pay freight, and then charge retail profit besides factory profit we could not sell A Good Oak Suit at \$11.25. Moral—Buy Furniture from a Furniture Factory.

We give you the greatest, heaping up measure of goodness that your money can secure anywhere.

When you have worn out your patience trying to find suitable furniture for your home, come here and you will find just what you have been looking for—and the price will suit you, too.

SALE ROOMS: 114, 116 SOUTH THIRD STREET.

SICK LIST.

There is at present little sickness

in the city. The cold weather has

made a decided change in the health

fulness of the people and the doctors

all report dull times.

There are at present three cases of

smallpox in the city, having been dis-

covered by City Physician Samlers

yesterday. Doc Marsh, colored, who

lives at 617 Ohio street have a well

developed case and also has two resi-

dents of the Little Addition, Messrs.

Belt and Hoffman. All the cases will

be held under a quarantine until com-

pletely cured.

Mr. M. K. Scott is on the sick list.

Mr. Theodore Metcalf is conval-

escent from an attack of fever.

Joe, the son of Mr. John Dicke, is

ill.

Mr. G. W. Randolph, the well

known grocer, is ill of typhoid fever.

Benta, the son of Prof. A. M.

Rouse, is ill.

Myrtle, the daughter of Mr. J.

Flora, of North Seventh street, is ill

of malarial fever.

NOTES OF THE RAILROADS

Mr. Dick Iseman, the day caller at

the I. C. roundhouse, will go to Ful-

ton tonight on business.

It is expected that the Cadis and

Gracey railroad will be completed

by December 15, and trains will be

running.

Dr. D. G. Murrell, the assistant

chief surgeon of the hospital corps,

of the I. C., was called to Chicago

last night on business.

The I. C. inspection train will pass

through the city again tonight at

7:30. After a short inspection of

southern branches it will return to

Chicago.

Mrs. G. A. Littell, wife of the

day ticket agent of the local I. C.

depot, will arrive in the city tonight

from Vincennes, Ind., where she has

been residing.

Conductor Blair, who has had

charge of the gravel pit at Gravel

Switch, is now running on what is

known as the "Duke's Mixture" train

between here and Henderson. The

train is a mixed freight, and Mr. Blair

has just been placed in charge.

A coal shed belonging to Henry

Knight, colored, an employee of the

I. C., was burned last night. He lives

near the I. C. shops, back of Hunting-

ton Row, and the burning of the shed

causes a heavy loss to the owner. All

his chickens and other poultry, wood,

coal and several other articles of value

were destroyed in the conflagration.

The origin of the blaze is unknown.

There is little sickness in the hos-

pital at present, and the majority of

the few patients that are left are

confined by injuries resulting from

accidents. There is one very pecu-

liar case, and one that seems to be

incurable in the hospital, and the

patient does not seem to improve in

the least, despite the treatment he is

receiving. He is colored, and suffer-

ing from "Fibrous Mollusca," a

skin disease, and is in a very bad

condition.

The Illinois Central announces that

it will enter the arena as a Chicago

and Omaha short line, and will cut

the time as short as its competitors.

The Illinois Central is nineteen miles longer

than the other lines. It is the pre-

valuing opinion that a rate and time

war will result on account of the en-

trance of the Illinois Central into this

field. The company only recently

opened its Omaha division, and it was

only regarded as a freight line until

the present announcement was made.

NOTICE.

District Court of the United States,

for the Western District of Kentucky.

In the matter of the libel of Ottomar

Bauer and Clarence Coker.

Whereas, On the 14th day of Octo-

ber, 1901, there was filed in the clerk's

office of the district court of the

United States for the Western District

of Kentucky, a petition and libel of

Ottomar Bauer and Clarence Coker,

owners of the steamer City of Golcon-

da, in a cause of limitation of liability,

by reason of accident to said steam-

er of the 19th day of August, 1901;

and whereas, on Monday the 21st day

of October, 1901, at a stated term

of the district court of the United States

for the Western District of Kentucky,

held in the federal building, in the

city of Louisville, Ky., an order was

made in the above styled matter by

the Honorable Walter Evans, Judge of

said court, that a motion in admir-

alty issue, pursuant to the rules of

the court and the supreme court, in the

THE RIVER NEWS.

(BY W. F. LAMBIN, REPORTER.)

The Dunbar left for Cairo this

morning 8:30 with fine business.

The City of Clifton, Capt. Bob Mc-

Coy master, is due from St. Louis to-

morrow en route for Tennessee

river.

There was no packet leaving here to-

day for Evansville. The Bob Dudley

will arrive from Evansville tomorrow

and leave on return trip shortly after

arrival.

Capt. King with his pet packet,

Tennessee, arrived from Tennessee

river this morning with a good trip;

leaves her landing tomorrow after-

noon 5 o'clock on return to Tennessee

river.

All of the towboats in the harbor

here are in fine shape for business,

including the steamboats have been

placed in fine repair and well equipped

for handling ties and lumber in the

Tennessee and Cumberland rivers. As

soon as there arrives a good navigable

stage of water.

Still no prospect of rain, and free-

ing weather close by. When the rivers

get thoroughly chilled it would re-

quire but a few days to freeze the Ohio

river up, but we will only look at the

bright
